

PTA Oxford A&P Show Cake Stall

We need your help!

Donations of baking are needed to stock up the PTA tent, and we also need helpers to man the tent for an hour at a time from 9am-2pm. Please drop off baking to the school office on Friday April 1st, each item of baking contributes one house point. Please call Kate Strahl if you can help with the stall on 312 3635.

The PTA have transferred \$6000 of fundraising to the school this year to purchase: Gym mats, sports gear for Y7-13, 2 way radios, funding to start a perceptual motor programme (PMP) in Years 1-3, a school banner, a microscope for the high school science classes, sandpit toys for Y1-3, 6 non-stick frypans for the technology department, musical instruments for Years 1-3.

They have a long list of other items they would like to support the school with this year, providing some baking will help them achieve this
