

Tuesday Programme

Creative Woodworking

Course Number: 1

Begins: 16th February 10 weeks Cost: \$120 Plus materials used

This course would suit a range of abilities from beginner to the more confident woodworker. Students are able to choose their own projects with consultation with the tutor. There is some storage at the school for projects. During the course students will be involved in the designing, setting out of their projects, through to the construction using portable power tools, fixed machines as well as a wide range of hand tools. The workshop is very well equipped to meet the needs of the students.

Tutor: Trevor Scott

Room: Workshop

Time: 7 – 9pm

Wednesday Programme

Appetite For Life

Course Number: 2

Begins: 24th February 6 weeks Cost: \$30 Pen and Paper required.

Appetite for Life is a six week course relating to healthy eating. It looks at making small changes in your eating habits for long term gains. It works on you understanding the psychology of eating and dieting. It also covers why diets don't work. During the course you will be tasting a range of healthy foods. Fees cover all costs.

Tutors: Lyn Thomson and Sue Dalley

Room: Home Economics Room

Time: 7 – 9pm
