INTERNATIONAL STUDENT APPLICATION FORM AND CONTRACT OF ENROLMENT PRIMARY SCHOOL

PART ONE: APPLICATION FORM

Notes:

1. It is important that all relevant information about the student is included in this application. This information is used to ensure that the student is supported properly upon arrival and while enrolled, and to match them with suitable Homestays, teachers, and courses. Where information is included relating to health issues or learning needs, disclosure of this information will not automatically disqualify the Student from Enrolment. However, failure to disclose information or providing misleading information may result in the withdrawal of an Offer of Place or termination of a Contract of Enrolment.
2. The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 requires that all students under 10 years of age must live with a parent or legal guardian in New Zealand while enrolled at a school unless they are accommodated in a school hostel. Where a student under the age of 10 years is found to be living in accommodation other than with a parent or legal guardian, or in a school hostel, they will not be permitted to attend school and this will result in the withdrawal of an Offer of Place or the summary termination of a Contract of Enrolment.

For Students not living with the Parents, the Parents irrevocably authorise the principal of the School to inform the Residential Caregiver (whether or not arranged through the School) of all matters and information required to be provided to the Parents and agree to appoint the Residential Caregiver in New Zealand to receive such information in place of the Parents.

If appropriate evidence is not provided, the School may organise insurance it considers appropriate and pass on this cost to the Parents or may refuse to allow the student to attend classes until appropriate evidence of insurance is provided.
17. The Parents agree they have read the policy details for the Student's travel insurance policy and any other relevant information provided by the insurer from time to time and:

Where the Student lives with a Designated Caregiver, this Agreement is subject to a Designated Caregiver Agreement being entered

into by the School, the Parents and the Designated Caregiver. In either case, a breach by the Student of the Accommodation Agreement or of the Designated Caregiver Agreement will be considered to be a breach of this Agreement.

27. Where the Student is in the care of a Residential Caregiver, except in the circumstances described in clause 26, this Agreement is considered to be written agreement of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether agreement is sought from domestic students in relation to the same activity.
28. Where the Student is in the care of a Residential Caregiver, unless otherwise agreed in writing by the parties, this Agreement is considered to be written agreement for leisure travel or stays organised and supervised by the Student's

Disciplinary Policy

Behaviour expectations and Disciplinary Actions for International Students

International students are expected to abide by the laws of New Zealand and to follow the school rules.

We inform students about the behaviour expectations at our school as part of our orientation processes. Staff are also made aware of any special requirements for international students. All school staff know who the international student support person is, and will contact them in the case of a serious issue with an international student's behaviour.

The Code requires schools to respond fairly and effectively to instances of inappropriate behaviour involving international students. Staff and students are made familiar with behaviour management policies and these are implemented effectively.

As international students are not covered by the sections of the Education Act 1989 which relate to disciplinary action, the school's enrolment contract outlines the school's conditions of enrolment, and what the school's processes are for discipline and contract termination. The Code requires that enrolment contracts be fair and reasonable and that any disciplinary action taken by a school must follow the principles of natural justice.

Natural justice means acting fairly in the circumstances – it means treating people with respect; taking into account their knowledge, abilities and culture; ensuring that everyone knows what is happening and what is at stake; and following the rules and considering the purpose and principles behind them (**NZSTA**). NZSTA has a governance support resource about the Principles of Natural Justice.

Our school follows the same behaviour management and disciplinary procedures for international students as for domestic students. Any additional or different conditions for international students (such as around accommodation, attendance, or visa requirements) are outlined in the enrolment contract.

Guidelines for Encouraging Appropriate Behaviours

Our staff use a number of strategies to encourage appropriate behaviours that meet our shared expectations. This can include:

Strategy	Description	Strategy	Description
1. Increase the ratio of positive praise to behaviour correction in “teacher to student” interactions	At least 4 to 1 ratio Positive interaction every 5 minutes Follow correction for rule violation with positive reinforcer for rule following	3. Actively Supervise at all times	Move continuously Scan continuously Interact frequently; positively Positively reinforce rule-following behaviours
2. Positively interact with most students during the lesson	Physical, verbal, visual contact Group v. individual Instructional & social	4. Give each student multiple ways to actively respond	Individual v. choral responses Written v. gestures Peer-based

Guidelines for Discouraging Inappropriate Behaviours

Our staff respond by teaching students what to do instead of what not to do. Teach the correct replacement behaviour.
How to respond to minor problem behaviours:

1. **Calm immediate response,**
2. **Consistent response by all staff**
3. **Specific, yet brief - be short and concise, then disengage quickly**
4. **Quiet, respectful, private contact with the student**
5. **Acknowledge appropriate behaviours**
6. **Record problem type, location and response on SMS.**

Investigation Policy

(Schedule Two)

1. The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process (the Investigation Process).
3. In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
4. During Stage One of the Investigation Process, the Student will have an opportunity to provide a response to any subject matter being investigated or to any allegation made concerning the Situation.
5. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the Situation, up to and including termination of the Agreement.
6. During Stage Two of the Investigation Process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).
7. This policy does not limit the School's power to take appropriate action urgently and without following the Investigation Process if this is necessary having regard to the seriousness of the Situation. Such a determination may be made at any point during the Investigation Process.
8. This policy also does not limit the School's power to suspend the student for the duration of the Investigation Process where suspension is considered necessary for the safety or education of any person.

General Policy

9. When the School is conducting an investigation involving the Student it will endeavour to provide the Student with the following:
 - (a) a written summary of the Situation (as it understands it) or the Proposed Action;
 - (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Situation or Proposed Action;
 - (d) an opportunity to have an independent support person of his or her choice present at any meeting relating to the Investigation Process;
 - (e) an opportunity to meet with that support person in private at any stage during the Investigation Process;
 - (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the Investigation Process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (g) a copy of this policy setting out the rights which the Student has when engaging in the Investigation Process.

Stage One: Incident Investigation

10. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a Disciplinary Action or which may constitute a Welfare Issue, the School will notify the Student of the Situation and will provide the Student with an opportunity to give a response.
11. Where appropriate, having regard to the seriousness of the Situation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Situation.

12. When the School makes a decision about the Situation it will advise the Student and Parent, in writing if possible, about its conclusion as to what happened and whether it considers that it requires some kind of formal response – whether Disciplinary Action, Termination or other intervention.

Stage Two: Outcome Discussion

13. If the School determines that a formal response is required, it will advise the Student and Parent of the possible actions that it will consider taking in response to the Situation and will provide the Student and parents with an opportunity to give a response.
14. Where appropriate, having regard to the seriousness of the Situation, the Student and Parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the action to be taken.
15. When the School makes a decision about the action that it will take in response to the Situation it will advise the Student and Parents of its decision, in writing if possible. The action will not take effect, and no actions will be taken to put it into place, until the Student and Parents have been advised of the decision.

Fee Protection and Refund Policy

Fees paid by international students are secure and protected against the possibility of an interruption to the course. Internal procedures assist the school in monitoring income and expenditure to ensure that money is controlled appropriately.

Our fee protection policy is provided to parents before a contract is signed, and is included in the contract signed upon enrolment.

Fees received in advance should only be recognised as income earned by the school as each term commences. A portion of advance fees is transferred to the school's main bank account in instalments. Remaining fees paid in advance are available to be refunded if necessary.

Fee refund

Our fee refund policy is provided to parents before a contract is signed, and is included in the contract signed upon enrolment.

If a student withdraws from their course of study before the completion date, they may be eligible for a refund of tuition fees. The school will always investigate requests for a refund and act fairly.

- The school will consider refunding all or part of fees if:
 - there are special circumstances and proof is supplied (e.g. the child has a serious illness or accident, or the family needs to return home because of a family member's death)
 - the child gains permanent residency during the course (documentation of the residency must be provided within 14 days of it being granted)
 - the school is closed for a period of one week or more due to force majeure (defined as an event beyond the reasonable control of the school, such as snow, earthquake, etc.).
- The school is not obliged to refund fees if the child:
 - has been asked to leave the school because of poor attendance or a breach of enrolment conditions
 - wishes to transfer to another educational institution for any reason
 - has special needs that were not explained to the school on the enrolment form.

Our refund policy includes refund conditions for the following situations:

- failure by a student to obtain a study visa
- voluntary withdrawal by a student
- the school ceasing to provide the agreed educational programme
- the school ceasing to be a signatory to the Code of Practice
- the school ceasing to be a provider.

If the school ceases to provide the agreed educational programme or ceases to be a signatory to the Code of Practice, Oxford Area School will deal with the fees paid for services not delivered or the unused portion of fees by:

- refunding the amount in question to the student (or the student's parent or legal guardian)
- transferring the amount to another signatory as agreed with the student (as specified in the Code).

How to apply for a full or partial refund of fees

To apply for a full or partial refund of fees, a parent (legal guardian) must apply in writing to the principal within one month of the student's last day at school (or within one month of the student gaining permanent residency) explaining the special circumstances.

- If a parent applies for a refund **before** the course starts, the school will refund the fees in full, less an administration fee. If they apply for a refund **after** the course starts, the school determines the level of refund, taking into account costs already incurred, and an administration fee. Special circumstances are taken into consideration (e.g. death of a close family member, serious illness, accident).

Payment of refunds

The school only refunds fees directly to a parent or to an agent with written authority from a parent. The school will never refund fees directly to the student.

Immigration New Zealand is notified if any student ceases to attend Oxford Area School for whatever reason.

Blanket Consent for EOTC (Education Outside The Classroom)

Option 1:

I give my general approval for the student enrolled to participate in off-site programmes of learning, within his or her normal classroom time allocation and approved by the principal.

OR

Option 2:

Education Outside The Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport.

Our school believes in using a range of environments and experiences to enhance our students' learning.

- We have ready access to the beach, rivers, mountains, and the bush in our area and beyond. We are also close to various built environments in our community. These areas are rich learning environments for our students both in and out of school. They need to learn how to be safe. Our school also values the concept of providing students with opportunities. Thus some of the learning for students occurs beyond the school site and this document is seeking your consent for your child/ren to participate in such learning

The Ministry of Education's **EOTC guidelines** identify four EOTC activity types, each with recommended types of parental/caregiver consent. In brief they are:

Type of event	Description	Type of consent
A	On site- in the school grounds (i) Lower risk environments (ii) Higher risk environments*	(i) No consent sought or blanket consent (ii) Separate consent for each event or programme
B	Off-site events in the local community occurring in school time. (i) Lower risk environments (ii) Higher risk environments*	(i) Blanket consent at enrolment. (ii) Separate consent for each event or programme
C	Off-site events - finishing after school finishes (i) Lower risk environments (ii) Higher risk environments*	(i) Blanket consent at enrolment. (ii) Separate consent for each event or programme
D	Off-site residential overnight events (i) Lower risk environments (ii) Higher risk environments*	(i) Separate consent (ii) Separate consent for each event or programme

*Involves risk assessed to be greater than that associated with the average family activity.

All EOTC activity categories require staff to undertake an analysis of the risks, and identify the management strategies required to eliminate, isolate and minimise the risks. Emergency procedures are also in place.

BLANKET CONSENT

I/we agree to the participation of _____ In *lower risk* category **A** and **B** and **C**

EOTC events while a student is at **OXFORD AREA SCHOOL**

I/we have provided the school with up to date medical, supervision and learning information through the enrolment form and will make every endeavour to keep this information current.
